**574 Boston Avenue Project Sponsor Group** includes staff and school leaders charged by University President Monaco to oversee the project’s adherence to academic goals, financial program and Tufts’ principles for strategic capital projects.

Members of the 574 Boston Avenue Project Sponsor Group include: Linda Abriola, Dean of the School of Engineering, Joanne Berger-Sweeney, Dean of the School of Arts & Sciences, David Kahle, Vice President of Information Technology, and Linda Snyder, Vice President of Operations.

574 Boston Avenue Working Groups represent the following interdisciplinary clusters that will occupy the building. These consist of representatives from Tufts’ faculty and staff as well as some students:

- Jennifer Allen, Director, Community Health
- Gary Bedell, Associate Professor & Chair, Occupational Therapy
- Robert Cook, Professor of Psychology
- Kathryn Link, Executive Administrative Dean, Arts & Sciences
- David Henry Feldman, Professor & Chair, Child Development

**Physics and Astronomy** focuses on the consolidation of this department from Robinson Hall and SciTech
- Hugh Gallagher, Associate Professor, Physics & Astronomy
- Danilo Marchesini, Assistant Professor, Physics & Astronomy
- Roger Tobin, Chair & Professor, Physics & Astronomy
- Krzysztof Sliwa, Professor, Physics & Astronomy

**Human Centered Engineering** focuses on the office and lab spaces to accommodate human factors engineering and the cluster for robotics, identification and signal processing.
- Dan Hannon, Professor of the Practice, Mechanical Engineering
- Usman Khan, Assistant Professor, Electrical & Computer Engineering
- Bill Messner, Professor & Chair, Mechanical Engineering
- Babak Moaveni, Assistant Professor, Civil & Environmental Engineering
- Jason Rife, Associate Professor, Mechanical Engineering
- Scott Sahagian, Executive Associate Dean, School of Engineering
- Ben Shapiro, Assistant Professor, Computer Science

**The Shared Spaces working group** focuses on spaces that will be used by all occupants of the building as well as the University at large, e.g., classrooms, conference rooms, function space, informal learning spaces, and shared administrative space.
- Gary Bedell, Associate Professor & Chair, Occupational Therapy
- Elonna Falk, Graduate Student
- Hugh Gallagher, Associate Professor, Physics & Astronomy
- David Gute, Associate Professor, Civil & Environmental Engineering
- Dan Hannon, Professor of the Practice, Mechanical Engineering
- Sarah Harvey, Assistant Registrar, Student Services Center, A&S
- Kathryn Link, Executive Administrative Dean, A&S
- Scott Sahagian, Executive Associate Dean, School of Engineering
- Danielle Slacey, Graduate Student, Graduate & Professional Studies, A&S
- Jeremy Wachter, Graduate Student
- Laura Wood, Director of Tisch Library

**Staff from TTS, CELT, and Operations** serve on all four working groups including:
- David Grogan, Senior Solutions Specialist, TTS
- Kyle Pope, Associate Director Telephony & Operations, TTS
- Alicia Russell, Senior Teaching & Learning Specialist, CELT
- Raymond Santangelo, Senior Construction Project Manager
- Heidi Sokol, Space Management Planner
- Lois Stanley, Director, University Space Management & Planning
- Barb Stein, Strategic Capital Program Director

The Project Sponsor Group meets monthly throughout the course of the project. Working Groups meet regularly during the design phase with the architects and project management team.
